

Subject: Security Alert: Unusual Login Attempt Detected

From: Mastercard Security Team
security@mastercard.com

To: [employee@email.com]

Dear [User's Name],

As part of our routine security checks, we detected a **suspicious login attempt** on your Mastercard employee account from an unrecognized device. To protect your account and ensure compliance with security policies, we have temporarily restricted

access until verification is completed.

Login Attempt Details:

Location: New York, USA

Device: Windows 11 (Chrome Browser)

Date & Time: March 29, 2025, 10:42 AM UTC

If this was you, please verify your identity to restore access:

Secure My Account

If you did not attempt to log in, we strongly recommend resetting

your password immediately to prevent unauthorized access.

For security reasons, if no action is taken within **60 minutes**, your account may remain locked, and you will need to contact IT Support for further assistance.

If you need help, please reach out to our security team at **support@mastercard.com**.

Thank you for your prompt attention to this matter.

Best regards,
Mastercard Security Team
[Mastercard Inc.]
